CROSS SECTION OF BRIDGE

Scale 1:50

LIST OF DRAWINGS

1	General Plan & Profile	
2	General Elevation & Plan	
3	General Elevation of Truss and Cross section	
4	Details of East abutment	
5	West	
6	Floating girder for Pier No. 11	
7	10 and 12	
8	Detail of joint and removable section of floating girder	
9	Details of concrete work on side of floating girder for Piers 10, 11, 12	
10	Details of concrete work on side of floating girder for Pier 10 and 12	
11	Detail of sand caisson Pier 1, 10, 11, and 12	
12	Detail of shaft for all piers	
13	Main and secondary beams for pier 10, 11, 12	
14	Main and secondary beams for pier 10, 11, 12	
15	Detail of floor slab	
16	Detail of all main floor beams & vertical of truss	
17	Detail of truss	
18	1	
19	2	
20	Detail of Diaphragm	
21	Detail of lower chord members & joints	
22	Detail of upper chord members & joints	
23	Detail of truss	
24	1	
25	2	
26	3	
27	4	
28	5	
29	Detail of Diaphragm & vertical	
30	Detail of vertical & upper portion	
31	Detail of lower portion	
32	Detail of top lateral	
33	Detail of vertical, side bracing & transverse struts	
34	Detail of vertical & lateral

The diagram shows a square with a smaller square inside it, and a table of numbers to the left. The table has two columns and five rows. The first column contains the numbers 1, 2, 3, 4, 5. The second column contains the numbers 1, 2, 3, 4, 5. The numbers are arranged in a way that suggests a sequence or a pattern.
